Family Philanthropy

Many affluent families believe that every individual has a responsibility not only to their families, but also to the community at large. The family's response to this may include a Philanthropic Strategy.

Legacy Family Office helps affluent families work toward reaching their philanthropic goals by:

- Establishing a Family Giving Vehicle (Family Foundation, Family Donor Advised Fund, Family Giving Circle, etc.)
- Defining and harmonizing the Family Mission Statement, Spending Policy, Donation Policy, and Investment Policy Statement.
- Implementing a four-step Fiduciary Quality Management System and twenty-two "Practices," which are intended to provide the Foundation with a framework for a disciplined, prudent investment process.
- Providing administrative and fiduciary education for the family
- Discovering and Executing multi-generational objectives

Estate Planning

A successful estate plan is shaped by goals. Key estate planning goals are minimizing taxes, avoiding probate, retaining control over property, protecting assets, and protecting against incapacity. There are a number of devices that can be employed to accomplish these goals; among them are gifts, wills, trusts (living or irrevocable), joint ownership arrangements, and beneficiary designations.

With your estate plan successfully implemented, one final but critical step remains: carrying out a periodic review and update. Legacy Family Office will oversee this critical step by coordinating the:

- Development of Objectives
- Advanced Estate Planning Structure and Review
- Trustee Selection, Oversight and Monitoring
- Trust Administration Oversight and Monitoring
- Cost Analysis and Negotiation of Trustee Fees
- Beneficiary Education and Mentoring
- Multi-generational snapshot of existing strategies
- Action plan to implement changes
- Detailed flow charts to model current and recommended strategies
- Evaluation of titling for real estate and personal property

Legacy Family Office offers custom and comprehensive solutions to ensure continuity of family values, lifestyle and wealth from one generation to the next.

Integrated Tax & Financial Planning

Financial planning is a process that can help you reach your goals by evaluating your whole financial picture, then outlining strategies that are tailored to your individual needs and available resources.

Legacy Family Office will help you create and implement a comprehensive financial plan designed to:

- Develop a clear picture of your current financial situation by reviewing your income, assets, and liabilities, and evaluating your insurance coverage, your investment portfolio, your tax exposure, and your estate plan
- Establish and prioritize financial goals and time frames for achieving these goals
- Implement strategies that address your current financial weaknesses and build on your financial strengths
- Monitor your plan, making adjustments as your goals, time frames, or circumstances change

In addition, Legacy Family Office will provide:

- Coordination of all professional external advisors (attorneys, accountants, private bankers, real estate professionals)
- Tax Plan Strategy & Compliance Monitoring
- Family Business Advisory & Succession Planning
- Cash Flow Analysis, Management and Forecasting
- Retirement Planning
- Liquidation Strategies

Legacy Family Office offers custom and comprehensive solutions to ensure continuity of family values, lifestyle and wealth from one generation to the next.

Investment Advisory

A wealth of investment information is available if you want to do your own research before making investment decisions. However, many people aren't comfortable sifting through balance sheets, profit-and-loss statements, and performance reports. Others just don't have the time, energy, or desire to do the kind of thorough analysis that marks a smart investor.

For these people, an investment advisor can be invaluable. Legacy Family Office delivers the following services in alliance with CTC Consulting, a leader in the investment consulting marketplace for ultra high net worth families. CTC advises on approximately $28 billion* in assets for ultra high net worth clients around the world.

- Development of Investment Policy Statement & Strategy
- Holistic portfolio design, implementation and monitoring
- Goal-based investment planning
- Asset Allocation plan and development
- Due diligence of asset classes and economic research
- Access to alternative investments (private equity, private debt, hedge funds, structured notes, commodities)
- Manager selection/evaluation using quantitative and qualitative analysis
- Comprehensive correlation analysis between investment asset classes
- Secure client account access on personalized website
- Account Aggregation setup and management
- Comprehensive Quarterly Performance Reporting
- Consolidated Monthly Progress Reporting
